

A ZERO EMISSIONS BUS FUTURE

Waiheke Youth Art Competition!

WHAT'S IT ABOUT

How would you like to see your artwork on Auckland's first fleet of electric buses? Waiheke Island is set to be Auckland's first suburb with a fleet of electric buses arriving soon, thanks to Auckland Transport, Fullers360 and Waiheke Bus Company.

To celebrate the arrival of Waiheke Island's first electric buses, Fullers360 and Auckland Transport have launched a youth art competition, encouraging budding young artists to literally paint a greener future for us through this competition.

WHO CAN ENTER

If you are between the ages of 5 -18 and live on Waiheke, we want you to illustrate a zero emissions future on the island. The winning entries will be displayed on the back of the electric buses for all to enjoy when they go into service. You could also be in to win a family pass with EcoZip Adventures or Auckland Zoo!

HOW TO ENTER

There are two categories to enter – Primary, and Intermediate/Secondary, and all the entries will be judged by Linda Chalmers from the Waiheke Community Art Gallery. You can choose to illustrate half or cover the entire bus back with your amazing illustrations!

Competition entries must be submitted hard copy following the instructions below, using this template, and close at 5pm on Friday, 16 October 2020.
